(d) The production of pulses has increased from 83.50 lakh tonnes in 1966-67 to 151.12 lakh tonnes in 2007-08.

(e) Government of India is implementing various schemes to encourage cultivation of pulses as given below:

1. Integrated Scheme of Oilseeds, Pulses, Oil Palm and Maize (ISOPOM) in 14 major pulses growing State.

2. National Food Security Mission-Pulses launched in 2007-08 being implemented in 171 identified district of 14 major pulses growing States with objective to enhance production of pulses by 20.00 lakh tonnes by the 11th Five Year Plan.

3. Macro Management of Agriculture (MMA) Scheme which provides assistance to the States not covered under ISOPOM.

4. Rashtriya Krishi Vikas Yojana (RKVY) under which States can undertake Pulse Development Programme.

New farming practice in Tamil Nadu

10. SHRI GIREESH KUMAR SANGHI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether a new farming practice has been developed in Tamil Nadu to increase the productivity of land, water and other farm inputs in cultivation of Rice Crops;

(b) if so, has this practice incorporated some innovative features over the conventional way of flooded rice cultivation; and

(c) whether the existing problems like water-scarcity, high energy usage and environmental degradation would adequately be taken care of and thus crop yield is substantially increased?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) to (c) The System of Rice Intensification (SRI) technique has received considerable attention globally including Tamil Nadu due to its potential for yield improvement and water saving. The main features of this system include transplanting of young seedlings singly in a square pattern with wide spacing; using more of organic fertilizers; and keeping the paddy soil moist with intermittent drying and wetting during the vegetative growth phase. SRI causes better plant growth and development and economizes upon the use of seed, irrigation water, labour, plant protection chemicals and fertilizers and hence increases the productivity of land, water capital and labour significantly over conventional flooded rice cultivation.

Subsidies to agriculture sector

11. SHRI OM PRAKASH MATHUR: Will the Minister of AGRICULTURE be pleased to state:

(a) the details of various kind of subsidies being provided by Government to the agricultural sector;

(b) the amount allocated for this purpose during last three years and the current year; till-date, State-wise;

(c) whether Government has made any assessment regarding grant of subsidy to the farmers on the basis of the size of their land holding;

(d) if so, the details thereof;

(e) whether Government proposes to rationalize subsidies in the agricultural sector; and

(f) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) and (b) The various kinds of subsidies being provided by the Central Government to the Agricultural Sector include subsidies on Fertilizers, Seeds, Micro Irrigation System, Machinery, Premium on crop insurance etc. The Government also provides financial incentive/grants/concession under various on-going Central Sector/ Centrally Sponsored Schemes namely National Food Security Mission (NFSM), Rastriya Krishi Vikas Yojana (RKVY), Macro Management, National Horticulture Mission, Technology Mission for Horticulture for the North Eastern States, etc. The allocations/releases to State Governments/UTs under these important programmes are given in the Statement-I to V (*See* below). Fertilizer subsidy is provided to the Manufacturers/Importers, the benefit of which goes to the farmers through the notified selling prices fixed by the Government. The year wise amount of fertilizer subsidy disbursed/due is given below:

(Rs. Crore)

Years	Total subsidy disbursed/due
2005-06	18299
2006-07	25952
2007-08	40338
2008-09*	113309

* Estimated

(c) to (f) In many programmes/ schemes, the subsidy is restricted to the size of land holding with a view to benefit the small and marginal farmers. The subsidies provided under various programmes/ schemes have been rationalized and are available to the farmers based on the actual usage/ approved ceiling to incentivise them to use various inputs for increasing their productivity and production.

Statement-I

State-wise Allocation and Release of Funds under RKVY during 2007-08 and 2008-09
